## FIAP / FIP DEFINITION OF MONOCHROME:

A Black and white work fitting from the very dark grey (black) to the very clear grey (white) is a monochrome Work with the various shades of grey. A black and white work toned entirely in a single color will remain a Monochrome work able to stand in the black and white category; such a work can be reproduced in black and white in the catalogue of a salon under FIAP Patronage. On the other hand, a black and white work modified by a partial toning or by the addition of one color becomes a color work (polychrome) to stand in the color category; such a works requires color reproduction in the catalogue of a salon under FIAP Patronage.

## FIAP / FIP DEFINITION OF COLOUR PHOTOGRAPHY:

Entries must originate as photographs (image captured of objects via light sensitivity) made by the entrant on photographic emulsion or acquired digitally. Pictures on any subject including creative or experimental Images can be submitted.

Use of Computer-generated graphics is totally restricted excepting Creative thematic section.

All element of the image must have been shot by the author. No part of the image should have been taken from Net or other person's image. Use of some filters available on net is permissible.

**Same images either color or mono in two different sections of the same Salon will result in disqualification for both the images.**

## FIAP / FIP DEFINITION OF NATURE PHOTOGRAPHY:

Nature Photography is restricted to the use of the photographic process to depict all branches of natural history, except anthropology\* and archaeology\*, in such a fashion that a well-informed person will be able to identify the subject material and certify its honest presentation. (Suggested\*: An example will be helpful to the New Jury).

The story telling value of a photograph must be weighed more than the pictorial quality while maintaining high technical quality.

**1.** Human elements must not be present, except where those human elements are integral parts of the nature story such as nature subjects, like barn owls or storks, adapted to an environment modified by humans, or where those human elements are in situations depicting natural forces, like hurricanes or tidal waves.

**2.** Scientific bands, scientific tags or radio collars on wild animals are permissible.

**3.** Photographs of human created hybrid plants, cultivated plants, feral animals, domestic animals, or mounted specimens are in eligible.

- 4.** Techniques that add, relocate, replace or remove any element of the original image, except by cropping, are not permitted. Conversion to infrared, either by digital technique or by original technique is not allowed. Stitching of two or more image is not permitted.
- 5.** Complete conversion to greyscale Monochrome is allowed but without partial or complete toning.
- 6.** It is perfectly legal to remove dust, flares or digital noise. Minor global colour/tone correction is OK as long as it is not selective and the final image looks natural but not dramatic. Dodge and Burn tool is for you only but use it judiciously. Selective darkening of background is prohibited. Techniques like panning, slow shutter speed or in-exposure zooming are part of your creativity. Use of filters like Polarizers and NDs are ok.
- 7.** Drone Photography in the National Parks of India is illegal except with prior written permission from the concerned authorities.
- 8.** Welfare of the subject is extremely important. Use of live bait is totally prohibited. Relocated nest is a big NO NO and jury members should not award Nest images. Images entered in Nature section meeting the Nature Photography Definition above can have landscapes, geologic formations, weather phenomena, and extant organisms as the primary subject matter. This includes images taken with subjects in controlled conditions, such as zoos, game farms, botanical gardens, aquariums and any enclosure where the subjects are totally dependent on man for food.

## FIAP / FIP DEFINITION OF PHOTO TRAVEL:

Photo Travel image must express the characteristic features or culture of a land as they are found naturally. There are no geographic limitations. Images from events or activities arranged specifically for photography, or of subjects directed or hired for photography are not appropriate. Close up pictures of people or objects must include features that provide information about the environment. Techniques that add, relocate, replace or remove any element of the original image, except by cropping, are not permitted. The only allowable adjustments are removal of dust or digital noise, restoration of the appearance of the original scene, and complete conversion to grayscale monochrome. Other derivations, including infrared are not permitted. All allowed adjustments must appear natural.

- 1.** A travel image depicts features of a culture, place or people as found naturally, anywhere in the world.
- 2.** Images of individuals or group must show their environment or location.
- 3.** The image should not be a SET UP image and it should not be a directed image.
- 4.** It should not be from a PHOTO WORKSHOP where a troupe dances for the workshop organizer or HORSE are made to run in dust or water or an individual shows his acrobatics on payment of a fee.
- 5.** Many monasteries have religious festivals with dances etc, and it is perfectly legal to submit such images though you may have paid an entry fee. Same is true for ballet and other stage shows.
- 6.** Images shot at fairs where the subject is obviously posing for you, with or without payment, is only good for pictorial section. On the other hand, a candid image is good for PT section.
- 7.** Techniques that add, relocate, replace or remove any element of the original image, except by cropping, are not permitted. Conversion to infrared, either by digital technique or by original technique is not allowed. Stitching of two or more image is not permitted.
- 8.** Complete conversion to greyscale Monochrome is allowed but without partial or complete toning.
- 9.** It is perfectly legal to remove dust, flares or digital noise. Minor global colour / tone correction is OK as long as it is not selective and the final image looks natural but not dramatic. Dodge and Burn tool is for you only but use it judiciously. Correction of perspective is perfectly legal. Techniques like panning slow shutter speed or in exposure zooming are part of your creativity. Filters like Polarizers and NDs are ok but Star effect or rainbow filters are illegal.
- 10.** Drone photography is OK as long as it is legally permissible in that part of the world. In India use of DJI Mavic Mini model of Drone is perfectly legal, except in areas where Drone Photography is prohibited by the authorities like National Parks etc.
- 11.** Finally, be sensitive to the community or people whom you are shooting. Care for your subjects and care for your fellow photographers as well. If someone doesn't wish to be photographed, please respect the person's feelings and greet her or him with a sweet smile before parting ways.
